M <sup>2</sup> of plot:	2500

Try the natural environment of country properties in Spain whilst living in this house. The property is located between the white towns of Torrox and C mpeta, only a 7km driving to the village and about 25 mins to the beaches of the Costa del Sol. A large entrance terrace gives access to the main house, consisting of a living dining room with a fireplace and access to the terrace, modern fully furnished and equipped kitchen, three double bedrooms, all of them equipped with built in wardrobes and one with its own ensuite bathroom with a shower and a family bathroom with a bath. The property has air conditioning and gas heating. It also offers a separate warehouse / workshop area. The plot has many well-tended fruit trees and plants. The area has lots of privacy and is perfect for those who like peace and tranquility, beautiful countryside perfect for hiking in the mountains.
